Keep In Touch With Our Homebound Church Family:

Browse through your church directory and find someone you haven't seen in a while and seek them out to say you miss them. Please remember to keep in touch with our church family that can't make it here every week for health reasons.

Use these basic procedures to lessen your risk of contacting COVID-19 as you would with any other contagious flu or virus.

- *Wash your hands often with soap and water, use alcohol-based hand sanitizer when soap and water aren't available
- *Avoid touching your eyes, nose, or mouth with unwashed hands
- *Cover your mouth/nose with a tissue or sleeve when coughing or sneezing
- *These precautions are not born of fear but are meant to protect the vulnerable (the elderly, those with underlying medical issues or compromised immune systems, etc.)

Free Methodist World Missions

AFRICA:

Mike Reynen and Bishop Matt Whitehead are traveling in Ethiopia until March 14 to participate in the Annual Conference and visit several churches. Pray they will be an encouragement to the Ethiopian church. Pray the Tumaini Women Kenya organization will receive all the needed documents and government approvals necessary for the newly acquired property designated for their future training center. Also, pray for Rev. Margaret Ingaiza of Kenya, who will attend the Wesleyan Holiness Women Clergy Conference this week.

Remember to pray for our Free Methodist brothers and sisters in the Democratic Republic of Congo who continue to experience great difficulty.

LATIN AMERICA:

Pray for the upcoming annual meeting in Creative Access Country-X. Due to the social and political unrest in the country, they have been unable to hold the annual meetings for two years. Pray for Dr. Ricardo Gómez (Area Director) and Pastor John Jairo Leal (Church Planting Coordinator) as they travel to attend the meetings March 11-17. Pray for the encouragement of pastors and churches in this country.
